The welcome back to Pre-School edition

A word from our Chair:

Hello everyone!

Extra special welcome to those parents and children who have just started at the Preschool, I look forward to getting to know you all throughout the year. To give a quick introduction I am the Chair of the Pre-School. I have two children, who both now attend the Primary School, so you won't see me around often but please call/email should you wish to speak to me.

As a Charity led Pre-School, we require a committee which is formed of a number of wonderful volunteers (mum's and dad's) who spend the year planning events to raise money for the preschool and oversee the running of the Pre-School. We are always keen for new volunteers so please shout out if you would like to get involved! Without the committee the Pre-School could not open so I cannot understate the importance of the committee or the value they add.

We are a Curiosity inspired Pre-School, as I am sure you are already aware, and hoping to complete the qualification this year to gain official status. We are always on the lookout for everyday household items such as brass, ceramic and wood. So if you have anything to donate please bring it down!

We also have a closed Facebook group for parents, so if you haven't joined already please do so. You should have received a link via email, please email the preschool if you have not. This group is a great way to communicate with you all en mass! It's also a place we can safely share photos and events and keep connected. We also share lots of Curiosity Approach information so it's a great way to find out what we are about!

Finally, thank you all for following the new rules we have in place for Covid-19. It's a scary world out there at the moment but we are pleased we can create a home-from-home for your children to come and enjoy.

Sophie

Useful information

COVID-19 UPDATE

Due to the current coronavirus situation, we at Yelvertoft Pre-School are following government guidelines. If your child has a high temperature, a continuous cough, or a loss of taste and smell please keep your child at home.

Government guidelines ask for children to self isolate for 10 days, testing is available via the NHS website.

Thank you for your understanding. Our priority is to keep our children and staff safe. Play is integral for early childhood education. It's how children learn what it means to be a person.

HAPPY STAMPING!

We have teamed up with Stamptastic - a company that provides custom made ink pads to label your child's clothing. You should have already received the flyer with details.

The great news is that Yelvertoft Pre-School will receive 15% commission on all sales. Just quote NN6 6LJ!

HELPING THE PRE-SCHOOL

Look out for a flyer that we will be circulating soon. It will cover 10 ways to help the Pre-School. We're aiming at getting everyone involved that has a bit of time including all of the family. Grannies and Grandads we mean you!

HAVING A CLEAR OUT?

If you are having a clear out to make more space, remember the Pre-School. We are always on the look out for items to use with the children. Especially anything that would fit in with our curiosity approach.

You can always contact us directly. Or if you put it on the Yelvertoft Facebook community page, one of our intrepid Pre-School staff or committee members will request it.

DATES FOR THE DIARY:

Thursday 6th September
Term Starts

Friday 23rd October
Term Ends

Tuesday 3rd November
Term Starts

Friday 18th December
