Commitee News

Notes from Kate

I'm delighted to be stepping back in as Chair of the pre-school. I was previously in this position whilst my children were at this fantastic setting, they are both now at the village primary school. It is a pleasure to return to this role. This pre-school is such a brilliant asset to our community. It would be great to have some more people join the committee and help with supporting our brilliant team and the children, it takes very little time or commitment but please mention to any of the team if you would be interested in joining or finding out more information.

Your Pre-School Needs You!!

As a charitable setting, we are managed by a voluntary committee of parents, who take on the role of trustees.
We urgently need new members as we cannot legally run our Pre-School without a committee!
The Committee is responsible for fundraising and overseeing the management of the Pre-School. A meeting is held each month with the Annual General Meeting held at the end of the school year.
If you would like to join, and help keep our Pre-School running, please speak to a member of staff or a committee member.

COMMITTEE MEMBERS

Chair:Kate England -07806558392-englandkh@gmail.com
Treasurer: Lucy Baker - 07713479857 - Lucinda.v.baker@gmail.com
Secretary: TBC

Business Manager: Jane Frodsham - 07919303780 - info@yelvertoftpreschool.co.uk

Setting Supervisor: Tracy Starkey - 07874661813 - info@yelvertoftpreschool.co.uk

UPCOMING EVENTS

- **Parents Evening**
  12th November 2026
- **Pizza party**
  Coming soon

Nurturing Curious Minds, Exploring through Play, Inspired by Nature

Reminders:

- All children require spare clothes including socks in their bag. As we are transitioning into Autumn please ensure your child has a jacket everyday at pre-school as the weather can be unpredictable at this time of the year.
- We are a nut free pre-school please do not bring any nut products in, please check cereal bars, pesto and no Nutella/alternatives.
- All water bottles should be coming in empty, staff members will put water into bottles and ensure it's topped up throughout the day. Children are given milk/alternatives at snack time. We do not allow squash or flavoured water at pre-school. This is in line with our healthy eating and oral care policies.
- We promote healthy, balanced lunchboxes that provide children with a variety of nutritious foods. We also encourage families to reduce single-use plastic, an example of this is buying large yoghurt pots and decanting this into reusable pots, helping to support a healthier environment for everyone.
- we also encourage families who live locally to walk or cycle to and from pre-school where possible to reduce our carbon footprint.

Notes from Tracy

We have been exploring lots of sensory activities, riding the bikes, exploring the story of Gruffalo Granny, learning about healthy eating in our home corner and exploring lots of songs and stories. we have started to explore the season of Autumn with lots of autumn invitations to play. The new bathroom has been a massive improvement, where children can learn self help skills.
